

REMARKS:

This amendment is being made under 37 CFR §1.312, in order to correct three misspellings in claim 14, which were noticed after receipt of the Notice of Allowance. In particular, "break off" (e.g., without a hyphen) has been replaced with "break-off" (e.g., with a hyphen) in lines 4, 6 and 9 of claim 14. It is believed that this amendment does not change the scope of claim 14 and does not require additional searching. No new matter has been added. It is believed that no addition fees are required in connection with this amendment. The issue fee has not yet been paid.

The Examiner is invited to contact the undersigned by telephone, if prosecution of this application can be expedited thereby.

Respectfully Submitted,

Roger P. Jackson
